

# Charter Township of Washington Supervisor's Office

COUNTY OF MACOMB  
STATE OF MICHIGAN

September 18, 2023

Dear Residents:

## Department of Roads Lane Closure Advisory

NB (Northbound)

SB (Southbound)

WB (Westbound)

EB (Eastbound)

### **CAMPGROUND ROAD COMPLETE**

As you have seen, the milling, base repair, and asphalt overlay work on Campground Road is completed from Van Dyke to 28 Mile in expedited time. I am proud to have worked with the county on this project to ensure our roads are at the top of the county's list for repair and the neglect of culvert issues causing flooding and the resurfacing of Campground Road was long overdue and neglected. The county still has some clean-up work and landscaping punch list items to correct and repair over the next few weeks, please feel free to reach out to me if anything is not corrected by the end of this month. We are working daily to ensure the county finishes this project correctly.

Since being elected in 2020, I have been working with Macomb County Department of Roads to improve, replace, and fix our roads in our township. I am proud to report we have done resurfacing of portions of 26 Mile, 27 Mile, 29 Mile, Mound Road (from 26-28 Mile) and West Road since being elected in November of 2020. Our township roads are finally getting repaired after decades of neglect.

In the spring of 2024 the Macomb County Department of Roads will be the reconstruction of the intersection of Campground/Van Dyke with a round-a-bout including new safer crossings to the Macomb Orchard Trail. This current year we are completing the paving of 30 Mile Road (Mound to Kildare) and in 2024 the re-surfacing of 30 Mile from Kildare to Van Dyke.

I will continue to work with the Macomb Department of Roads on other intersections and roads to keep our township roads safe and smooth. If you have any questions, please feel free to contact me anytime.

Thank you for the continued support!
