

**ORLANDO**  
PEDIATRIC THERAPY

Orlando Pediatric Therapy provides expert speech, language and feeding therapy services tailored to meet the unique needs of children birth to 18 years of age. Our team of licensed speech-language pathologists is dedicated to helping children improve their communication skills, address speech disorders, enhance language development, and overcome challenges related to feeding/swallowing and oral motor.

We offer comprehensive assessments, personalized therapy plans, and a supportive environment to empower our clients on their journey to effective communication.

### We specialize in the following areas:

- Childhood Apraxia of Speech
- Augmentative and Alternative Communication
- Autism Spectrum Disorder
- Dysphagia
- Early Intervention
- Expressive/Receptive Language Disorders
- Feeding and Swallowing (bottle & infant feeding)
- Fluency Disorders/Stuttering
- Late Language Emergence
- Oral-Motor
- Social Communication Disorder
- Speech Sound Disorders (articulation/phonology)
